

# The Learner Dashboard: A Smart Addition to Your Content Hub

The learner dashboard gives your learners a clear, personalized view of their activity in the Mindtools Content Hub – helping them stay engaged, reflect on their progress, and take ownership of their development.

## What it offers

- **Activity Insights:** a visual summary of content accessed and total learning time, with flexible date filters.
- **Top categories and resource types:** spot patterns in what learners use most.
- **Learning History:** a full log of viewed resources, with direct links to revisit content.
